# 80%

### Booking Page Visits

Surge correlating with SEO improvements

# 40%

### Social Engagement

Instagram & Facebook reach expansion

### 📌 Sold-Out Success

The "Welcome to Italian Cooking" class sold out **4 times in October** alone, demonstrating how SEO visibility translates directly into booking demand and revenue.

# Sales Impact & Business Transformation

SEO visibility delivered tangible business results, transforming Chef Baba from a local Fort Lauderdale culinary school into Florida's premier destination for Italian cooking education. The proven system created sustainable growth and positioned the brand for continued expansion.

## Revenue Growth

**55% increase** in online bookings revenue over 4 weeks, with consistent week-over-week improvement as rankings solidified.

## Market Expansion

Customer acquisition expanded **statewide across Florida**, moving beyond local Fort Lauderdale to attract students from Miami, Orlando, Tampa, and beyond.

## Brand Leadership

SEO-driven visibility established Chef Baba as **the go-to Italian cooking class in Florida**, creating lasting competitive advantage.

## Next Steps: Sustaining Success

- Scale SEO efforts to maintain and improve rankings
- Expand keyword portfolio to capture additional search intent
- Optimize for seasonal cooking trends and specialty cuisines
- Build content marketing to support long-term authority
